We need your help in preserving our Gunflint Trail history. As a resident you are part of the story. Please write a 1-5 page personal narrative. Include any favorite family stories or relate experiences with your neighbors or our forest friends, a history of your cabin or why you came to the area. Future generations will be interested. Remember Today's events are Tomorrow's History

Please include at least 2 photos so we can generate a page to put into the book at Chik-Wauk. You will be able to edit said page and OK it. Your stories and other information will be on file in the Reading Area.

Please send to Chik-Wauk Museum, 28 Moose Pond Drive, Grand Marais, MN 55604 or email to chikwauk@boreal.org. Please enter your email address _____
